1/ The option periods listed here apply exclusively to the renewable energy tariff. Option booking is not possible for the EEX tariff.

2/ Valid for an infant (< 2 years) accompanied by a full paying adult, who must also be booked individually with Condor. If a toddler (< 2 years) is accompanied by a full-paying adult (also with Condor Individual) if you are returning home or if you are 2 years old on the date of your return flight, then for security reasons a booking as a full-paying child (≥ 2 & < 12 years) with a seat is mandatory.

3/ Also applies if a flight is rebooked in the period from the 2/ 8th day to 24 hours before the start of the respective flight route and cancelled at another time.

4/ Rebooking changes are changes to the travel date, destination, class of carriage, airports of departure at home and abroad and the names of accompanying persons of the card holder. Rebooking changes are only possible within the originally booked season and route type (zones 1-2/zones 3-5). Rebookings of originally booked higher-priced routes are only possible within the originally booked season and route type (zones 1-2/zones 3-5). Departures in lower fare departures are only possible under retention of the original travel price. In the event of rebooking to higher-fare departures, the difference must be paid. In addition, we charge the rebooking fees listed above.

5/ In the case of bookings with arrival/departure flights, it is not possible to change the name of the accompanying person of the cardholder.

6/ The respective baggage allowance limits in accordance with the booking confirmation apply. Detailed information on our general baggage rules including hand luggage and free baggage allowance can be found in our ASR/SSR brochure on the Condor Extranet at agent.condor.com. Please note that if your customers are not exclusively using Condor, e.g. in the context of delivery and drop-off flights, fly with other airlines, separate regulations apply.
